### Line Expansion

Demonstrating our continued commitment to supplying professional technicians with the TPMS coverage they demand, we've added 23 new SKUs to our TPMS line. The expansion increases coverage by an additional 27 million VIO.

BWD® offers a complete TPMS line that includes OE-Matching Direct-Fit TPMS Sensors, QWIK-SENSOR™ Programmable TPMS Sensors, mounting hardware, service kits, and shop tools. Here are a few of the highlights from our latest release:
