### MATCHING CONNECTORS

At Intermotor®, we design the details that deliver superior quality and performance. Manufactured in our TS16949 certified, SMP® Reynosa, Mexico

facility, our Crankshaft Position Sensors feature matching connectors and tin-plated brass terminals to ensure an accurate, watertight connection to the wiring harness. With the broadest sensor coverage in the market and 100% end of line testing to ensure proper timing, pulse width and signal amplitude, it's no wonder Intermotor® is the import leader by design.
