### PRECIOUS METAL ALLOY SENSOR CONTACTS

At Intermotor®, every part we design features thoughtful details that elevate it above the competition.

Our EGR valve sensor contacts are made

with a precious metal alloy that withstands millions of duty cycles. EGR valves are manufactured and 100% factory tested for proper flow, solenoid resistance, valve response time and leakage of internal and external components in our TS16949 certified, SMP® Independence, KS facility. It's this commitment to excellence that makes us the import leader by design.
