Pintle/Disc Fuel Injectors

The performance and reliability of BWD[®] Pintle and Disc Fuel Injectors can be attributed to their high-quality components:

A Closer Look

BWD[®] take several measures to ensure our injectors match the fit, form, and function of the originals they're replacing. Check out our valve seats and vapor caps, for example:

Vapor Caps

With colors and shapes that closely match OE, our vapor caps prevent deposit buildup around pintle that can cause spray pattern issues
