

# New Parts Spotlight

## October 2015

### Automatic Transmission Shift Bezel

### New Product Category

Manufactured with an upgraded plastic material that's stronger than the OE, TechSmart's Automatic Transmission Shift Bezel allows technicians to replace only the cracked or broken chrome piece instead of the entire unit. This brand new problem-solving category covers select Mercedes-Benz applications.

### HID Headlight Ballast

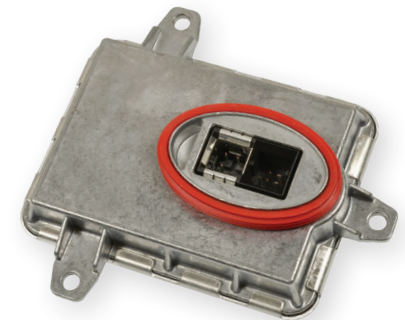

### Line Expansion

24 New SKUs Available

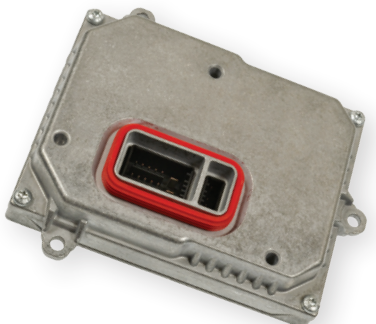

To help restore proper lighting function to HID light systems, TechSmart® created OE-Exact Match HID Headlight Ballasts. That means they are direct-replacement parts that match the fit, form, and function of the originals. Plus, as DOT-certified parts, our HID Headlight Ballasts comply with Federal Motor Vehicle Safety Standards.
